## 2014 FUMÉ BLANC - COLUMBIA VALLEY

---

**Harvested:** First Sauvignon Blanc lot harvested 8/25/14

---

**Date of first Bottling:** February, 2015 | **Quantity bottled:** 8850 cases

---

**Vineyard Locations and AVA's :** Sagemoor Vineyard (Columbia Valley), Caroway Vineyard (Columbia Valley), Gunkel Vineyard (Columbia Valley, Eastern Columbia River Gorge)

---

**Vintage Notes:** The 2014 growing season was punctuated by extreme heat in mid-summer and a marvelous sunny September. Our region was warm from start to finish and had little rainfall to deter us. The consistency of the season allowed us to capture as many heat units as we could manage. Harvest happened upon us early- we brought in Sagemoor Block 6 Sauvignon Blanc on August 24th (a record!), weeks before we've started in years past. It was a slow start- a few whites trickling in over the next weeks until we hit our stride with Chardonnay in mid-September. Merlot and Syrah came in shortly after that and we wrapped in late October with the Cabernet Sauvignons. Expect 2014 wines to have solid acidity, big flavor and ripe richness.

---

**Varietal Composition:** 76.7% Sauvignon Blanc, 23.3% Semillon

---

**Winemaking:** Cool fermented in stainless steel to retain fruit intensity.

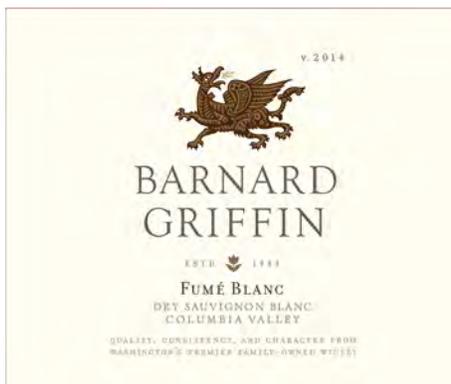

---

**Malolactic status:** Negative

---

**Winemaker's Comments:** "Sauvignon Blanc in Washington has enough herbal identity to be intriguing and enough tropical fruit character to be fruity and pleasant. Our many years of practice blending Semillon in with our Sauvignon Blanc have created a style that exhibits richness and enhanced longevity. Our 2014 opens with a range of dynamic orange, lime and mango flavors and aromas, shaded with sage and flint overtones. Has just the right amount of mouth-cleansing acidity and pizzazz to pair well with shellfish and light cheeses."

  
Rob Griffin, Proprietor-Winemaker

## 2015 FUMÉ BLANC - COLUMBIA VALLEY

---

**Harvested:** First Sauvignon Blanc lot harvested 8/20/15

---

**Date of first Bottling:** March, 2016 | **Quantity bottled:** 7400 cases

---

**Vineyard Locations and AVA's :** Sagemoor Vineyard (Columbia Valley), Caroway Vineyard (Columbia Valley), Gunkel Vineyard (Columbia Valley, Eastern Columbia River Gorge)

---

**Vintage Notes:** The 2014 harvest was the earliest harvest in my 38 years...until 2015. We brought in Pinot Gris from the Caroway Vineyard on August 17th, a full week before our record early harvest in 2014, making it weeks ahead of a 'normal' year. Washington experienced an unquestionably warm June: we hit 100 degrees within the first week and hovered in and around the 90s until the end of the month, where we spent nearly two weeks in an uninterrupted streak of over 100 degree weather. Even at the summer's hottest, nightly temperatures were often a 40 to 50 degree swing from the high, allowing acids to develop and mature. The 2014 winter and a lack of a snowpack in the mountains left us with less water than most years; thankfully most of our vineyards were unaffected by drought-like conditions due to the strategy and diligence of their respective vineyard managers. Even with the influence of enormous heat, 2015 whites will have pleasing acid with balance and rich, bright fruit, while the reds will have soft tannin structure and intensely ripe, mature flavors. I was initially very cautious about this year because of its extraordinary conditions, but as it progresses I become more and more optimistic about the very fine quality in spite of the unusual weather.

---

**Varietal Composition:** 95.1% Sauvignon Blanc, 4.9% Semillon

---

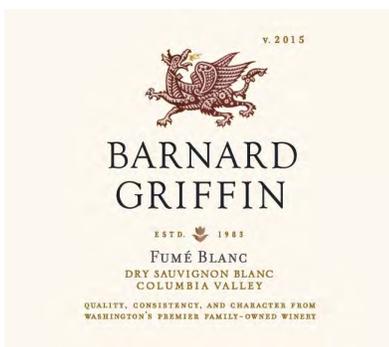

**Winemaking:** Cool fermented in stainless steel to retain fruit intensity.

---

**Malolactic status:** Negative

---

**Winemaker's Comments:** "Sauvignon Blanc in Washington has enough herbal identity to be intriguing and enough tropical fruit character to be fruity and pleasant. Our many years of practice blending Semillon in with our Sauvignon Blanc have created a style that exhibits richness and enhanced longevity. Our 2015 is packed with orange zest, lime, Asian pear and honeydew melon flavors and aromas. Ultimately refreshing! Finishes with a juicy, cleansing aftertaste. Enjoy this crisp, sunny white as a stand-alone or paired with shellfish or mildly-flavored appetizers.
