2022 CHARDONNAY

Vintage: 2022

Oak: Minimal neutral oak contact

Alcohol: 13%

Size: 750ml

Closure: Stelvin

Wine Notes: 2022 in the Columbia Valley of Washington started with a cool spring followed by a moderate summer. A portion of this Chardonnay was left on lees for 12+ months to maintain a balanced and creamy mouthfeel. The remainder was fermented and stored in stainless steel to add zippy acid and fresh fruit characteristics.

The label inspiration: Patented in 1903, the Joseph Szafka wine press was a useful improvement in wine presses at that time. The wine press has evolved over time, but remains a crucial tool to modern day winemaking.
